

/BDP 1

Blu-ray Disc™ player with BD-Live™ interactivity

Highlights

- Full high-definition playback from Blu-ray Disc™ media
- 1080/24p Output for film-like picture quality
- BD-Live™ interactive capabilities
- Standard DVDs upscaled to 1080p (via HDMI™ output)
- Front-panel USB jack for additional BD-Live memory
- MP3, WMA and JPEG playback from disc or USB drive
- HDMI output (V.1.3a with Dolby® TrueHD and DTS-HD™ bitstreams and high-resolution video)

The BDP 1 isn't just an exceptional Blu-ray Disc™ player in the Harman Kardon® tradition. And it doesn't just upscale your existing DVD library to the 1080p standard. The BDP 1 is also your ticket to a world of interactive content with BD-Live interactivity, an exciting new feature of next-generation Blu-ray Disc media. Download games, ringtones and other special content from the Internet directly to the BDP 1 via the Blu-ray menu. Or create your own programming, with MP3, WMA and JPEG playback from the front-panel USB port. The BDP 1 is the most advanced Harman Kardon media player ever built, and the clear choice for high-definition video from any source.
