

CDR 20

DUAL-TRAY CD-R/RW RECORDER/PLAYER

Customize to your heart's content.

With the Harman Kardon CDR 20, you can create your own CD's by recording up to 99 tracks of your favorite music on CD-R or CD-RW discs, or back up your CD collection at 4x dubbing speed.

But recording is only half the CDR 20's story. It's also an audiophile-quality playback deck: In the single-play mode, it's a 2-disc changer; in the dual-play mode, it's a multiroom entertainment source. The CDR 20. Now your music is yours to enjoy anyway you like.
